

# INSTALLATION INSTRUCTIONS

APPLICATION: 2001-03 F-150 SUPERCREW  
1997-03 F-150 FLARESIDE

## AUTOMOTIVE PRODUCTS, INC.

SPORTSMAN TAIL LIGHT GUARD	QTY	PART KIT CONTENTS DESCRIPTION
<b>CHROME</b> 39-3310	1	TAIL LIGHT GUARD - DRIVER
<b>BLACK</b> 39-3315	1	TAIL LIGHT GUARD - PASSENGER

- STEP 1. Remove the contents from the box and check for any damage. Verify all parts against parts list. Read and understand instructions completely before beginning installation.
- STEP 2. Lower tailgate and remove the two screws in the driver side tailgate jam that secure the taillight to the body.
- STEP 3. Separate the taillight from body, and slip the taillight guard over it, being careful not to damage the wiring or scratch the body. **NOTE:** There is no mounting hardware used in this installation, the mounting tabs alone secure the taillight guard to the vehicle. If the Taillight guard is loose when properly aligned on the taillight, carefully bend the mounting tabs to ensure a snug fit.
- STEP 4. Re-install the taillight on the body, reinsert the two screws, and tighten snugly. Use caution when tightening the screws to avoid cracking the taillight housing. Make any necessary adjustments to align with the taillight guard to the body.
- STEP 5. Repeat installation for opposite side.

MOUNTING TABS

DRIVER SIDE TAILLIGHT GUARD SHOWN

Finish protection - Westin products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax (pure carnauba, for example) on a regular basis. The use of cleaner wax or any compound which contains an abrasive is detrimental, as the compounds scratch the finish and open it to corrosion.
