2004 DODGE DURANGO SPORTSMAN GRILLE GUARD

Westin is now shipping Sportsman Grille Guards for the 2004 Dodge Durango. Westin's Grille Guards provide a customized look and front end protection. The mounting brackets have been designed to utilize existing holes on the Durango's frame for superior strength with minimal vibration.

Manufactured from 2.5" diameter cross tubes and 7 gauge vertical uprights that contour the Durango's front-end. The uprights include a rubber extrusion for added protection. The light guards are removable for easy headlamp access.
