The popularity of the Ultimate Bull Bar has spread! As a result, Westin is proud to present the NEW era of Ultimate Bull Bars designed for downsize trucks & SUVs. Essentially the same in design as the original Ultimate Bull Bar with one exception - its made of 2.5" dia. round tubing instead of 3". You will agree that this is the answer to both the desire for a great look and the need for the perfect size application. Complete with Westin's logo laser-cut into the stainless steel skid plate.

CPS is backed by a lifetime warranty and black powdercoat is backed by a 5-year warranty.
