Westin's NEW! ULTIMATE BULL BAR Now Fits The 2005 Nissan Frontier!

Westin's NEW "Ultimate" Bull Bar provides the perfect finishing touch to the Nissan Frontier. As you can see, the Ultimate Bull Bar has been designed to fit closer to the vehicle for maximum ground clearance! For a finished look, black molded caps have been added to the crossbars and a Westin logo has been laser-cut into the stainless steel skid plate. Add a set of Westin's new Driving Light and you're ready to go!

We've even provided a License Plate Relocator kit (Part No. 32-0055), that is sold separately!

The Ultimate Bull Bar is available in chrome plated stainless steel backed by a LIFETIME WARRANTY, or a black powdercoat finish backed by a 5-year warranty.
