

2005 Product Application Update

This information relays changes related to product design or enhancements, and informs you of installation or fitment issues that are being resolved. These changes are occurring as an Engineering Change Order (ECO) "running change" to existing part numbers, and are typically a result of changes in the vehicle's design or trim packages. To inform Westin of fitment or installation issues, please contact Emilio Gomez, our Product Coordinator & Technical Support Rep via email at sales/marketing@westinautomotive.com, or by phone at (800) 345-8476 ext. 457.
