Hitting the Road!

Westin has a year full of excitement ahead as our 2006 project show trucks hit the road! In the next few pages you'll find detail sheets and sponsor lists for each. We are putting them to work and would love to stop in your neighborhood to show them off while in your area. If you have an open-house planned or regional show event that would benefit from their presence, please call (626) 960-6762, ext. 451 to submit your request.
