

# SALES UPDATE

## November 2006

### 2007 Product Application Update

This information relays changes related to product design or enhancements, and informs you of installation or fitment issues that are being resolved. These changes are occurring as an Engineering Change Order (ECO) "running change" to existing part numbers, and are typically a result of changes in the vehicle's design or trim packages. To inform Westin of fitment or installation issues, please contact Technical Support Rep via email at [tech1@westinautomotive.com](mailto:tech1@westinautomotive.com), or by phone at (800) 793-7846.

### **NEW 2007 CHEVY/GMC SILVERADO/SIERRA - PRODUCT APPLICATION UPDATE**

Westin has confirmed that the Step Bars, Oval Tubes, W-2-W Step Bars and Sure Grip/Molded Boards will fit the NEW body style 2007 CHEVY/GMC Silverado/Sierra applications. Instruction Sheets will be updated to reflect new vehicle applications. Front-end products "Do Not" carry over for the new body style. Part numbers for the newly designed Front-end products on 2007 models (excl. Classic) have been listed below.
