PRESS RELEASE

NOVEMBER 2007

PROJECT VEHICLE

TACKLE JACK

2007 Ford F150 Super Crew FX4 4X4

Designed for lovers of the great outdoors, it features a detailed camouflage paint job sure to blend right into any hunting territory. The "Tackle Jack" immediately catches the eye of outdoorsmen and is right-on-target for regional focus. A modified Push Bar featuring a mounted Warn winch sets the mood for the activity this truck is meant to take on. Beefy TOYO "Open Country" tires on Pro Comp Extreme Alloy Wheels are the perfect shoes for climbing the trails. It's ready for packing-up personal items in the bed of the truck or on the HD Rack System Cargo Tray that are all within reach with the use of Westin's Running Boards. And there's so much more to it than this!

This truck will hit the tour circuit certain to gain many admirers of the sportsman type. See our sponsor list for details.
