ACCESSORY PRODUCT

TRUCK-PAL TAILGATE LADDER

CONVENIENT AND COMPACT STORAGE

Westin's universal Truck-Pal tailgate ladder is designed to get you into your truck's bed safely! It's convenient and compact storage allows you to maximize available space when not in use. It is quickly and easily mounted. For use, (Step 1) open tailgate and unlatch Truck-Pal, (Step 2) lift Truck-Pal upright, (Step 3) extend by lifting up the remaining extensions (two) until fully extended and touching solid ground. The Truck-Pal is designed for use on trucks with a tailgate height of up to 38 inches.
