

The image is a promotional advertisement for Westin Adventure Mounts. It features a close-up, low-angle shot of a vehicle's dashboard and steering wheel area. A smartphone is mounted vertically on a black, rugged-looking device mount. The mount is part of a larger system, with other components visible in the background, including a circular gauge or mirror. The overall aesthetic is industrial and rugged, with a focus on durability and functionality. The background is a mix of dark and light tones, suggesting a bright, possibly outdoor environment. The text is bold and clear, emphasizing the brand and the product's key features.

## 4-HOLE MOUNTING BALL BASE

### FEATURES AND BENEFITS:

#### ■ 20MM BALL COMPATIBLE

Designed to work with 20mm ball-mount accessories for flexible positioning and secure device mounting

#### ■ DURABLE ALUMINUM AND STEEL CONSTRUCTION

Built with an aluminum top base and steel mounting brackets for strength and stability

#### ■ STANDARD AMPS PATTERN

Features a 30mm x 38mm AMPS mounting pattern for compatibility with common AMPS-style mounting systems

#### ■ DIY-FRIENDLY SETUP

Simple installation with basic tools

#### ■ VERSATILE MOUNTING OPTIONS

Mounts to compatible AMPS hole configurations, making it easy to adapt to different setups and applications

#### ■ BLACK POWDER COAT FINISH

Durable black powder coat finish helps resist corrosion while providing a clean, professional appearance

FINISH: Black Powder Coat  
MATERIAL: Aluminum  
WARRANTY: Limited Lifetime

P/N: 10-21035

## 2-HOLE MOUNTING BALL BASE

### FEATURES AND BENEFITS:

#### ■ 20MM BALL COMPATIBLE

Designed to work with 20mm ball-mount accessories for flexible positioning and secure device mounting

#### ■ DURABLE ALUMINUM AND STEEL CONSTRUCTION

Built with an aluminum top base and steel mounting brackets for strength and stability

#### ■ AMPS PATTERN COMPATIBILITY

Available with a 38mm or 47mm AMPS pattern to support a variety of mounting setups and accessory configurations

#### ■ DIY-FRIENDLY SETUP

Simple installation with basic tools

#### ■ SPACE-SAVING DESIGN

Compact mounting solution that is ideal when installation space is limited

#### ■ BLACK POWDER COAT FINISH

Durable black powder coat finish helps resist corrosion while providing a clean, professional appearance

FINISH: Black Powder Coat  
MATERIAL: Aluminum  
WARRANTY: Limited Lifetime

P/N: 10-21015 - 47MM

P/N: 10-21005 - 38MM

## ARM MOUNTS

### FEATURES AND BENEFITS:

- **MULTIPLE LENGTH OPTIONS**  
Available in 3", 6", and 8.25" lengths to provide flexible positioning and reach for your accessory mounting setup
- **DURABLE CONSTRUCTION**  
Built from aluminum for a strong, lightweight design that delivers long-lasting performance
- **20MM BALL SOCKET JOINT**  
Provides smooth angle adjustment, helping users position their mounted device at the ideal viewing angle

- **SECURE THUMB SCREW LOCK**  
Tool-free locking feature helps hold the arm firmly in place once the desired position is set
- **BUILT FOR STABILITY**  
Stable, durable construction helps reduce unwanted movement and vibration during use

FINISH: Black Powder Coat  
MATERIAL: Aluminum  
WARRANTY: Limited Lifetime

## TELESCOPING ARM MOUNT

### FEATURES AND BENEFITS:

- **ADJUSTABLE TELESCOPING ARM**  
Extends from 9.5" to 13", allowing flexible positioning for improved reach, visibility, and ease of use
- **DURABLE CONSTRUCTION**  
Built from aluminum for dependable strength while keeping the mount lightweight and easy to handle
- **20MM BALL SOCKET JOINT**  
Provides smooth angle adjustment, helping users position their mounted device at the ideal viewing angle

- **SECURE THUMB SCREW LOCK**  
Tool-free locking feature helps hold the arm firmly in place once the desired position is set
- **BUILT FOR STABILITY**  
Stable, durable construction helps reduce unwanted movement and vibration during use

FINISH: Black Powder Coat  
MATERIAL: Aluminum  
WARRANTY: Limited Lifetime

ADVENTURE MOUNTS
